

NO CURE NO SURRENDER

Was it really all going to end? Was it really over? No matter how I felt, the doctor had spoken, and it was time to listen. Something was wrong inside my body. That much I knew. I had lost track of the number of hospital visits and the times I found myself in the doctor's office.

No matter how much I thought of the many happy times, the many blessed times, the times when I never wanted the moment to end, I found myself back at the pronouncement from my doctor, "You have six months to live; I think it's time you get things together."

When Ken Hobbs was diagnosed with a rare, debilitating disorder, his life changed drastically. Soon he was struggling through therapy, treatment, and life in a wheelchair. In the midst of this, his career fell apart, and his ex-wife riddled him with false accusations. It would have been enough to make anyone despair, but Ken held tightly to his love and faith. With his wife's unswerving aid, his prayer partners' petitions, and God's unfailing faithfulness, Ken discovered a new plan for his life. In NO CURE, NO SURRENDER, Ken proves that no attack from the enemy is enough to stop God from working everything together for good.

KENNETH HOBBS, a retired city administrator, is an active volunteer in church planning, growth, expansions, and church development as well as with prison ministries. With his enduring wife, Deborah, he lives in the Low Desert Area of Southern California. They enjoy five grown children as well as three grandchildren.
